

SCOTTISH BAKEHOUSE

Situation:

Owner Steven Galante purchased existing real estate on Martha's Vineyard, and zoning restrictions required him to open the doors as a classic local bakery called The Scottish Bakehouse. Although a seasoned businessman, Mr. Galante didn't know much about the restaurant business.

Their Need:

Chef Services Group was hired to help develop and brand by researching the concept and developing a vast menu of traditional Scottish pastries, contemporary treats, sandwiches and salads.

Primary Services Provided:

- Full Conceptual Development of the Brand
- Complete Menu & Recipe Development
- Equipment Specifications and Sourcing
- POS Mechanisms & Reporting Procedures
- Recipe Costing
- Opening Support
- Layout & Design Support
- Inventory Controls
- Food Safety and Service Training
- Associate Training
- Employment Consultation

Results:

The Scottish Bakehouse opened successfully and continues to thrive as a well-known venue in Martha's Vineyard. Their menu has continued to develop over the years.
